# Take-Away Homework for the Autumn Term

	A	B	C
Outdoor Learning	How many different sports can you experience in one week? In a month? Photograph yourself trying different activities and date them.	Go for a walk with your family ~ how many different types of trees did you see? Can you name them? You could photograph your walk, collect leaves from the trees and use the internet to identify the type of tree it is.	Take a walk to Littledean War Memorial - record the names of people who died in World War I and/or II ~ can you find out any information about these people - maybe ask older members of the community; look on the internet - you may need your parents help with this.
Science	Create a fact file about Sir Isaac Newton.	Design and make a paper airplane. How far did it fly? Investigate which material is best at making a plane. Prove it by creating a table showing your results.	
Maths	Carry out a survey of your choice (such as, favourite flavour crisps, colour, colour of cars that pass your house in an hour) and record the results using tables, bar charts, pictograms, pie charts.	Photograph and label examples of different types of triangles you can find in real life - maybe go for a walk. Isosceles, equilateral, scalene triangles.	Look at the poem "The Twelve Days of Christmas". Work out: How many gifts are given by the true love in total? How many legs are mentioned in the poem in total? <i>For both questions show how you have worked it out.</i>
Creativity (art/design)	Draw portraits of members of your family. You could hold a gallery at home to show them off.	Create a portrait using collage - wool, fabric, string...	Design and make a Christmas snow globe - you may have to research how to do this.
English	Write your own poem. Practice and perform it to: <ul style="list-style-type: none"> <li>Friends and family;</li> <li>The class</li> </ul>	Who invented the plane? Research and create a powerpoint/leaflet/report about what you have found out. Remember to use headings, subheadings, bullet points, diagrams.	Why do we celebrate Bonfire Night? Research Guy Fawkes and either: Write a diary from Guy Fawkes point of view; write a non-chronological report about Bonfire Night; or write a poem about Bonfire Night.
Topical	Great British Bake Off Spend time baking with your family. Find a recipe, follow it, bake it, eat it. Take photographs of your creation.	Paralympics Create a table showing the medals won by team GB. Research and create a powerpoint/leaflet about the games - you could research a selection of the gold medallists.	Create a piece of artwork, word search or quiz about one of the topics studied this term: Forces, cam systems, Roald Dahl, Christmas, Bonfire Night.

*In addition to daily reading, mental maths and spelling practice, this menu of homework allows you and your child to choose tasks to complete over the term. Miss May will collect homework every Thursday. High quality homework will be rewarded with Maple Class loyalty points.*
