28<sup>th</sup> March 2017

Dear Parents,

Holly Berries Class have been learning about healthy eating and have been designing their own healthy sandwiches. We are going to be making our own healthy sandwiches in class on Friday 31<sup>st</sup> March. Please may you send your child to school with a maximum of two healthy sandwich fillings of their choice, portioned (please no tins) and clearly labelled ready for them to make on Friday afternoon.

Many thanks

Miss Haynes
