People with time for Children

7th September 2016

To Reception parents

Dear Parents,

Thursday 8th September – Tour of Britain

As you might be aware, Tour of Britain is riding through Littledean on Thursday the 8th of September. In class we have been making banners to support the cyclists and are learning about the race. The peloton should be passing the school around 1pm. We would like to welcome you to bring your children back into school to watch the race in the front playground. I understand that they are closing local roads so know this might not be possible for all pupils. This is a really exciting opportunity and Holly Leaves are looking forward to seeing the race.

Kind Regards

Miss Pearson

Head teacher: Mrs Hayley McGoldrick
