People with time for Children

15th September 2016

Dear Parents

To enrich the children's understanding of different curriculum areas, I am keen to use different resources, including the outside areas. For this reason Holly Berries class will be taking part in outside learning and Forest Schools every Friday morning.

The children will need to be dressed for the weather; wellies and waterproofs would be great if possible. Please could you make sure that wellies, boots, coats etc... are labeled so that items of clothing do not get muddled up. Thank you for your cooperation with this.

Yours sincerely

Miss Franks

Head teacher: Mrs Hayley McGoldrick
