People with time for Children

7th July 2017

Dear Parents/Guardians,

In school, Chestnut Class have been reading 'Stormbreaker' by Anthony Horowitz which is a story about a teenage spy. They have really enjoyed the story and I would like to show them the film, however it is rated 'PG'. For more information about the plot, please visit <http://www.imdb.com/title/tt0457495/plotsummary>. I am planning to show the film on Friday 14th July. If you would like to withdraw your child from this, please let me know.

Regards

Miss Haile
