People with time for Children

Monday 16th April 2018

Dear Parents/Carers

RE: Whitemead residential

At last the yr. 5/6 residential to Whitemead is very nearly here and I just wanted to remind you of some of the details:

- Please drop children off at Whitemead Wednesday at 1:45-2:00. I will meet and greet you there with our instructors from In2Action.
- Please ensure children have packed the relevant clothing and equipment (see the kit list sent out previously), especially a water bottle, waterproof clothing (jacket, trousers) and duvet or sleeping bag.
- Please box up (sandwich box) and clearly name any medications which need to be taken and give to Miss Grey on arrival to Whitemead on Wednesday. Please include in the box information as to when the medication must be administered.
- Please ensure children **do not** pack laptops, ipods, mobile phones, MP3 players, ipads...
- Children are allowed to take cameras, however, cameras attached to mobile phones are **not** allowed. All school staff will have cameras so lots of photographs will be taken.
- Please collect children from Whitemead on Friday 20th April at 1:00-1:15.
- There is a shop on site so if children would like to buy refreshments and/or souvenirs they may bring some money to spend, however, they will remain responsible for this throughout the trip.

I have just checked the weather for the trip and it looks like we may have sun (22° on Thursday) so please pack sunscreen in anticipation for the *hot* weather.

Yours sincerely

Miss May
SLT/Maple Class teacher

Head teacher: Mrs Hayley McGoldrick
