People with time for Children

1st November 2016

Dear Parents

As you may be aware, every Tuesday a group of volunteers come into school to deliver 'Open the Book' during collective worship. During these acts of collective worship the volunteers act out different stories from the bible and the children have the opportunity to respond to them.

This link between the school and local church groups is something that we are very proud of and believe the children and community greatly benefit from. With this being the case we have been asked to be involved in a project on Tuesday 15th November which will involve the Open the Book session being filmed by Rev Nick Stanyard and his team from the Evangelist, United Reformed Church West Midlands Synod. The result of the filming will be an approximately 1 minute film clip which will be available on You Tube. Please have a look at the following link for other examples of the types of video which the team have produced:

If you would not like your child to be involved in the production of the film please complete the slip below. If we do not receive a slip we will assume that you are happy for your child to participate. If you have any further questions then please let me know.

Yours sincerely

Hayley McGoldrick
