*Did you know? A recent Netmums survey highlighted that over 87% of parents are concerned about their children's wellbeing this Autumn/Winter.*

Dear Parent / Guardian,

Hundreds of Headteachers say that Rocksteady's rock and pop band lessons are a fun way to build children's confidence and help them get the most out of school life, while also enhancing their overall wellbeing. There's even a one-month money back guarantee, if music isn't their scene. Why not give it a try!

Band lessons happen during the school day through a visiting tutor from Rocksteady Music School.

Here's all the details:

- Choose from **drums, electric guitar, keyboard, or vocals** subject to availability. Lessons take place during school time and are open to all year groups, with no experience necessary. All instruments are provided.
- Your child will learn their **favourite songs** in a ½ hour weekly band practice, led by a visiting Rocksteady Band Leader. A proven way of giving them a great musical grounding.
- Rehearsals build towards a **performance** each term. A fun way for your child to build their self-confidence and show you and their friends just how far they've come.
- A highlight of the week for £31.25 a month (*No payment in August*). There's a **money back guarantee** for the first month and you are **free to cancel at any time**.
- Rocksteady lessons boost confidence and promote wellbeing, while children have fun with their friends, and progress at school.

Places are offered on a **first come, first served basis**. If you would like to secure your child's place, sign up as soon as you can. Selecting different instrument options will also give you the best chance of getting a place in a band.

## WHAT DO PARENTS AND HEADTEACHERS SAY ABOUT LESSONS?

My boys thoroughly enjoy Rocksteady and were glad it wasn't cancelled like most things. I am grateful that their love of playing their favourite instrument hasn't stopped.

**Neesha**

Louise isn't interested in any other extra activities at school, but she loves her Rocksteady classes.

**Debbie**

It's the highlight of the week and certainly for the children a highlight of their day when they are doing it.

**Headteacher**  
September 2020

I enrolled my daughter into Rocksteady on the last term of her infant school and wish I'd enrolled her earlier!

**Victoria**

To see them skipping into the hall to work in their bands has been brilliant

**Headteacher**

September 2020

Rocksteady has made him feel like he belongs. It's one of the few things he talks about outside of school.

**Zoe**

He is at his happiest playing with his band and it really puts a smile on his face. I know he enjoys the lessons as he rushes to get to school on Friday!

**Ruth**

It was mentioned in his school report that his confidence in class has grown since starting Rocksteady.

**Vicki**

For a child with dyspraxia who struggles to co-ordinate herself to write in class, it's been amazing seeing her take to drumming.
