Loving one another, building each other up

5th January 2021

Dear Parents,

Update on Class closures

We continue to have a high number of staff shielding and isolating and will reassess the situation daily.

Chestnut Class – Unfortunately Miss Haile continues to isolate, she is well and we are expecting her to return to school and Chestnut Class to reopen on Thursday 7th January 2021.

Holly Berries Class – Miss Haynes also continues to isolate while awaiting Covid-19 test results. Therefore Holly Berries Class will remain closed tomorrow – Tuesday 5th January 2021.

Children whose parents are classed as critical workers, those with an Education and Health Care Plan and those with a social worker may attend school while these classes are closed.

Please check the class pages on the school website www.littledeanprimary.co.uk for remote learning tasks. Should you have any questions or queries please do not hesitate to contact us.

Holly Leaves and Maple Classes remain open as normal.

Kind regards

Hayley McGoldrick
Head Teacher

Head Teacher: Mrs Hayley McGoldrick
