People with time for Children

Monday 7th September 2026

Dear Parents and Carers,

As part of our current Art unit, Maple Class will be creating collages later in the term. To support this, we are collecting a range of clean, empty sweet and food packaging for the children to use in their artwork.

We would be very grateful if you could send in any of the following items:

- Sweet wrappers (e.g. wrappers from individual sweets)
- Empty sweet packets (e.g. Haribo or Skittles bags)
- Empty Smarties boxes or similar containers
- Empty cereal boxes
- Clean, empty frozen food boxes (e.g. fish fingers, ice lollies)

All items should be clean and dry before being brought into school.

Children can bring these materials in over the next few weeks and place them in Maple Classroom.

We are planning for the collage lesson to take place during the week beginning Monday 5th October.

Thank you very much for your support in helping us gather these materials. It will make a big difference to the children's creative work.

Kind regards,

Miss May

Head teacher: Mrs Hayley McGoldrick
