# Take-Away Homework for the Autumn Terms.

Every day = reading, spelling practice and maths skills practice (see class webpage for online games)

Outdoor Learning	Photograph at least 8 different plants/flowers and name them - you might need to use the internet to research the names.	<div>Stick Insect Symmetry Project.</div> <div>1) Research what makes an insect an insect? What are the main parts? You may need to look at photographs of insects (internet).</div> <div>2) Gather sticks and create a symmetrical stick insect.</div> <div>3) Photograph your artwork and then label the different parts.</div> <div>4) Email your work to the class email address at the foot of this page.</div> <div></div>		<div>Examples of Stick Logic</div> <div></div> <div></div>			
Science	Design a quiz related to our science topic (refer to the knowledge organiser).			<div>Examples of Giuseppe Arcimboldo</div> <div></div> <div></div>			
Maths	<div>Stick Logic</div> <div>Collect 9 sticks/twigs approximately the same length. How many triangles is it possible to make using 9 sticks/twigs? Investigate. Label the types of triangles you have made (equilateral, scalene, isosceles)</div> <div>Possible ways to present your findings:</div> <div>1) Photograph and label in Word Document.</div> <div>2) Sketch your designs and label. Take a photograph and email to the class email address.</div>						
Creativity (art/design)	Create close observational drawings of different plants/flowers. Scan or photograph your artwork and email to the class address.	Design a quiz related to our portraits art topic (refer to the knowledge organiser).	Create a self-portrait in the style of Giuseppe Arcimboldo. You could use real fruit and vegetables and photograph your portrait or use drawings of fruit and vegetables. The choice is yours.				
English	Write a set of humorous instructions. For example: How to annoy your older brother/sister/grandparents/parents...	Learn a poem to perform to the class. Think carefully about your use of voice - pace (speed), volume (loud, quiet), clarity, good intonation, facial expressions and actions.					
Topical	#GBBO Design and bake a cake based on the theme animals. Present using photographs and email the class address.	Create a PowerPoint about something that interests you (football team; hobby; pop group; favourite book). Maybe include a short quiz at the end.					

In addition to daily reading, mental maths and spelling practice, this menu of homework allows you and your child to choose tasks to complete over the term. Miss May will check the class email for homework every Thursday. High quality homework will be rewarded with Maple Class loyalty points. Please send homework electronically to the class email address: [mapleclass@littledean.gloucs.sch.uk](mailto:mapleclass@littledean.gloucs.sch.uk)
