

Chestnut Class Homework Menu - Topic Theme - Stone Age to Iron Age

Email any homework to: chestnut@littledean.gloucs.sch.uk

Please bring homework in on a Thursday to share with the class ☺

Ways to learn	A	B	C	D
OUTDOOR LEARNING I enjoy hands on activities	Find conkers and teach someone how to play 'conkers'	Make a piece of Stone Age jewellery - this could be made of pasta, clay, salt dough, platercine...	Find a rock, paint/decorate it and hide it somewhere for someone else to find... I wonder how many you can find? I wonder...who will find yours?	Make your own shadow clock - you could bring it into school or take a photograph. Some people believed this is why stone circles were built - to tell the time!
MATHS AND SCIENCE I enjoy working with numbers and science	Weigh three different stones and order them from lightest to heaviest. CHALLENGE: Write down each weigh in grams and kilograms.	Find out what different types of stones used by Stone Age people.	Find out the names of four NEW 3D shapes. CHALLENGE: Can you name their properties?	Archaeologists have found these strange markings that they think might be Stone Age counting.  Can you come up with your own method of counting?
SHARED LEARNING I enjoy working with others	Design a game which people in the Stone Age could have played.	Make your own Stone Henge model with a friend or family member.	Everything eaten by stone age people had to be caught or collected. Write your own recipe for a stone age dinner using the sorts of ingredients that would have been available. You may wish to make this recipe too and find out how it would taste.	Have a go at making some Iron Age oat cakes - recipe can be found here: https://www.teachitprimary.co.uk/resources/y3/designing-and-making/iron-age-recipes/24240
CREATIVE LEARNING I enjoy art and designing	Name your three favourite dinosaurs. Using parts from each of these, create a new dinosaur and give the new species a name.	Create your own cave or den - in or outside.	Make up your own story, it can be able anything but tell it through cave art pictures.	The wheel was invented during the Stone Age. What are wheels used for? Build something that uses a wheel/wheels.
COMMUNICATION I enjoy reading, writing and speaking	Create a short film about one aspect of Stone Age life e.g. what did Stone Age people eat?	Write a diary entry of the life of a Stone Age man.	Take a picture of yourself reading your favourite book in an unusual place.	Research animals that existed during the Stone Age to Iron Age. Create a wordsearch or crossword for us to try at school.
SPELLING, PUNCTUATION AND GRAMMAR I enjoy writing	Imagine you have been whisked back in time. You have been allowed to take one person OR one object. What or who would you take and why?	Write down four questions you would ask a Stone Age man if he visited the classroom?	Find four interesting facts about the Stone Age - record your findings in any way you wish - a PowerPoint, a poster or just a piece of writing.	Write your own Stone Age poem. Think carefully about how you could present it.
