Loving one another, building each other up

25th May 2021

Dear Parents,

Holly Berries Class

Over the last few weeks, in collective worship, all of the children in the school have been learning how to sign The Lord's Prayer. The children in Holly Berries have picked this up extremely quickly and are really confident with the signs, which is wonderful to see.

We have been asked by Rev. Mike Barnsley if we would like to film the children signing The Lord's Prayer to be used in a Messy Church video. The Messy Church videos are available on YouTube and we have used them in the past as part of our Easter and Christmas celebrations.

We will be filming the children signing on Friday 28th May. Please could you return the reply slip below to indicate whether you give permission for your child to be filmed as part of a group and also for the video footage to be used as part of a Messy Church service which will be accessed via YouTube. No children's names will be used.

Yours sincerely,

Hayley McGoldrick

Head Teacher
