

# Take-Away Homework for the Summer Term

Outdoor Learning	Play outside... <i>in the sunshine - remember your sun cream!</i> <i>in the rain - splash in puddles, make mud sculptures...</i>	In preparation for our KS2 Summer Play, Hubble Bubble Pirate Trouble, practise speaking and acting like a pirate. How would a pirate walk? How would a pirate talk?	Go swimming. Go for a bike ride. Go for a walk.
Art/DT	Draw a portrait or create a collage of the Queen in celebration of her official birthday (9 <sup>th</sup> June).	Create a 3d model of the Queen - clay, plasticine, junk model (bit abstract!), salt dough...	Sewing - try out the different stitches you will be learning in DT (whip, running, backstitch, blanket) and make something - for example, a cushion.
Maths	For more traditional maths homework, visit <a href="http://www.myminimaths.co.uk">www.myminimaths.co.uk</a> and complete age appropriate maths revision - if in year 5, please do not complete year 6 tasks.		Play a board game.
English	Write a biography about the Queen.		Review the <b>100 books to read before the end of year 6</b> . Which have you read? Set yourself a target of those you will read over the Summer (including term 6 and the Summer holidays).
Topical	Make your own pizza - you could create a picture with different toppings.		Organise a picnic for your family - research a place to have the picnic, work out how much food you will need, make the food, work out how much the picnic will cost, organise some activities to do on the picnic. Enjoy the picnic and takes lots of photographs.
Trip	Visit a local place of interest - Gloucester City museum; Gloucester Folk museum; National Waterways museum; Dean Heritage Centre; Sculpture Trail. <i>What did you learn?</i>		

*In addition to daily reading, mental maths and spelling practice, this menu of homework allows you and your child to choose tasks to complete over the term. Miss May will collect homework every Thursday. High quality homework will be rewarded with Maple Class loyalty points.
