Loving one another, building each other up

17th May 2022

Dear Parents

On Thursday 26th and Friday 27th May we will be celebrating the Queen's Platinum Jubilee at school. The children will take part in a range of activities to celebrate and learn about this historic event.

On Thursday 26th May we ask that children come to school wearing red, white and blue. We will be having a picnic as a whole school, so ask children to bring a celebration packed lunch on that day. Packed lunches can be ordered if required.

On Friday 27th May Caterlink are providing their special Jubilee menu (information about this has been sent separately).

We are looking forward to a lovely couple of days and thank you for your support.

Yours sincerely

Hayley McGoldrick

Head Teacher: Mrs Hayley McGoldrick
