

Salt-dough recipe

Follow the recipe to make salt-dough Christmas tree decorations

What you need:

- 3 cups of flour
- 3 cups of salt
- cup of water
- large mixing bowl
- wooden spoon
- cup
- jug
- oven

What to do

- 1 Pour three cupfuls of flour into the mixing bowl.
- 2 Pour three cupfuls of salt into the mixing bowl.
- 3 Stir the flour and salt together.
- 4 Add some water to the mixture and stir until the mixture resembles a thick dough.
- 5 Knead the dough and mould it to your desired shape.
- 6 Ask an adult to put it into a cool oven 100°C (200°F/Gas Mark ¼) for four hours.
- 7 When cold, paint your model and varnish it with PVA glue.
