9<sup>th</sup> February 2022

## Maple Class

Dear Parents,

This half term we have been learning about the Maya Civilisation in history. We are finishing our learning by focussing on the food they would have eaten. As part of this lesson we will be tasting some of the traditional food which would have been eaten at the time. If your child has any allergies or dietary needs please contact school by **Monday 14<sup>th</sup> February** so we can accommodate them accordingly. If you need to see the ingredients on any of the packaging this can be arranged on the morning of Monday 14<sup>th</sup> February.

The children will (hopefully!) be tasting the following items:

- Corn tortillas
- Sweetcorn
- Papaya
- Guacamole
- Avocado
- Pineapple
- Chocolate

Many thanks,

Mrs Walters

Head Teacher: Mrs Hayley McGoldrick
