Loving one another, building each other up

27th May 2022

Dear Parent/Carer,

Each year the Wildlife Trusts host a 30 Days Wild Nature Challenge during the month of June. It is aimed at promoting awareness of our natural environment through 'Random Acts of Wildness' challenges and stepping out into nature and observing it's beauty.

We are going to be taking part in this throughout the remainder of June during our Forest School Sessions.

As June begins in the holidays, you may wish to take part at home.

Attached is a wordsearch, a list of ideas and a calendar chart to track your child's activities for the month.

Further information can be found on their website <https://www.wildlifetrusts.org/30dayswild>

Send any completed calendar charts back to school to share with the rest of the class and your child will receive a sticker.

Thanks

Miss Pearson, Mrs Orchard, Miss Worgan and Miss Goodall
