Loving one another, building each other up

4th January 2021

Dear Parents,

With a high number of staff shielding and isolating we have taken the decision to close Holly Berries Class and Chestnut Class tomorrow, Monday 4th January 2021.

Children who's parents are key workers and those that have an EHCP are able to attend as they did in the summer term.

We apologise for the late notice but feel that there is no workable alternative. We will reassess the situation tomorrow and inform you as soon as we can.

Holly Leaves and Maples Classes remain open as normal.

Kind regards

Hayley McGoldrick

Head Teacher

Head Teacher: Mrs Hayley McGoldrick
