Loving one another, building each other up

10th March 2026

Parents of Year 4 children

Dear Parent,

'In the Net' – Internet Safety Play – Wednesday 18th March 2026

As I am sure you are aware, internet safety of children across the UK has been in the news recently and continues to be a concern.

We know that the best protection we can give to young people is knowledge of the dangers so that they are aware and can protect themselves, as well as letting them know where they can go for help and support with regards to Cyber Bullying.

In order to do this, we are presenting an interactive play to our Year 4 pupils on Wednesday 18th March 2026. We are joining with other schools in the area and this will take place at St Whites School Cinderford. The Play will tackle some of the issues around Safe Internet Use, Cyber Bullying and prevention of exploitation. The play is age appropriate and is called 'In the Net'. It will last for approximately 40 minutes and pupils will be provided with a support pack at the end of the production.

We hope that this will be a memorable way to enhance their safe internet usage and help our young people to stay safe on-line.

The children will leave school at 12.45 and travel in staff cars to St Whites School for the performance. They will return by 3.10pm.

Should you have any concerns please do not hesitate to contact me.

Yours sincerely,
Hayley McGoldrick
Head Teacher
