The school photographer visited on Thursday this week and took some lovely photographs of our children. They have changed the way that they send proof photos out, instead of a paper copy we will send an email link. This should be with you next week.

Also we will be asking for donation of cakes for our refreshment stall on nearer the day.

We continue our preparations for our Summer Fair which will be held on Friday 20<sup>th</sup> June from 3.10 p.m. – 6.00 p.m. As usual they are looking for volunteers to help either before the day, on the day setting up, running stalls, or helping to clear away. ### Breaking News....

We are very excited to announce that Pro Stars (our PE provider) will be running a breakfast club and afterschool club, here at Littledean School from September 2025.

Further details to follow in the next few weeks...

## Holly Berries Class

Holly Berries had an exciting start to the Summer Term when local author Matt Davies came to share his book *Inspector Earwig and The Garden Thief* with us. Holly Leaves joined us for the story before venturing into Forest School to see if they could find any of Matt's book characters. Holly Berries were able to ask brilliant questions about being an author before creating their own book characters. It was a great visit which the children thoroughly enjoyed.

# Challenge

12 July - 13 September 2025

Suitable for children aged 3+

Go Green, Get Reading, Get Rewards!

There are lots of different interactive and fun challenges that you can complete! You can do activities by yourself or ask friends or family members to help too.

This year is all about THE NATURAL WORLD

Further information available at <https://gloslibraries.uk/welcome-library-challenge>

## Chestnut Class

All of the children in Y4 completed the national Multiplication Check this week. They had 6 seconds to answer 25 different multiplication questions. They were all fantastic and it showed that all of their hard work each day practicing their times tables in maths fluency is paying off! Times tables are a fundamental part of many different aspects of maths so these skills will benefit them as they continue to explore the maths curriculum.

Well done Year 4!

## Parent Governor Election

We have a vacancy for a Parent Governor. Parent Governors are elected by and from the parents of children currently attending our school. The Governing Board play a vital role in ensuring that every child receives the best possible education whilst at our school. If you are interested or would like further information please contact Mrs McGoldrick or the school office. Our closing date for nominations is 12.00 noon Friday 13<sup>th</sup> June 2025.

## Holiday Activities & Food (HAF) Programme

Good news! HAF is back this summer holiday to provide more funded activities and delicious food for children in reception to year 11 who receive benefits-related free school meals.

We are moving booking systems. This means the previous CABS system will no longer be used to book HAF activities. Make sure you're ready to book activities by registering to our new system.

From the 16 June, you will be able to view the activities that will be on offer, to begin planning your summer fun. From 12pm on 30 June, you will be able to book your activities using our new Family Hubs Booking System.

We have also been able to extend our offer once again to provide funded HAF activities, that are available to all children in Gloucestershire. All activities will be marked either 'HAF' or 'HAP' to let you know the availability.

Many exciting opportunities will be on offer, including gymnastics, football, arts and crafts, forest skills, coding and much more!

Additionally, we are very excited to announce that there will be a HAF summer fun day in each district this holiday season. Be sure to follow your district on social media to ensure you're up to date on information and events.
