

FRIENDS of:

Littledean C of E Primary School & Pre-School

Loving one another, building each other up

13th February 2020

Dear Parents and Carers,

The Friends Committee would like to inform you that we signed up to The Forest Lottery. It is something that we have researched, mainly thanks to Marie Williams. It's quick and simple to do and will help build some funds for our school and our children.

To sign up follow the link below:

<https://www.forestlottery.co.uk/support/friends-of-littledean-c-of-e-school>

The instructions on how to register are there. It is quick and simple to do. The committee get 50% of all ticket sales, but we need to sell 50 tickets per month at £1 per ticket. The Forest Lottery only allow you to continue to be a part of it if the 50 necessary tickets are sold, so it is a use it or lose it deal. It's very simple to do, and will give the committee some much needed funds to continue support the school.

The next draw is on Saturday 15th February 2020 at 8.00 p.m.

There are great prizes on offer and fingers crossed someone from school wins while supporting the school!

Many thanks

On behalf of the Friends Committee

Head Teacher: Mrs Hayley McGoldrick
