

Loving one another, building each other up

Please Support our Nearly New Uniform Sale

Why?

A simple way to combat textile's impact on the Earth is to recycle instead of throwing out clothing. Recycling school uniform decreases the amount of waste in landfills, reduces our collective carbon footprint.

All monies go directly back into school to support children with their Emotional Wellbeing.

Most items of uniform are priced between **20 – 50 p** and in good condition.

Front playground

Littledean C of E Primary School

Saturday 21 st October

Future **date** 25 th Nov and 27 th January

Time 10 – 11.30 am

At these events Mrs Webb can also offer informal parental support or if you wish a more formal appointment. This can be booked in advance via email swebb@littledean.gloucs.sch.uk

We thank those parents who contribute and attend these events and/or buy Nearly New throughout the year.
