Loving one another, building each other up

13th July 2022

Dear Parents,

Please find attached your child's annual report for this academic year. The children have worked exceptionally hard this year and have made great progress in 'plugging' any gaps that might exist due to their disrupted education over the past two years. This is an ongoing process and we will continue to build on prior learning as they move into the next academic year.

On the reports for year 1-6 you will see a grade for attainment and effort linked to their current year group objectives. Reception children have a different set of assessment criteria which you will see on their reports.

If you have any questions or queries regarding the report, please contact your child's class teacher.

Yours sincerely

Hayley McGoldrick
