*Loving one another, building each other up*

4<sup>th</sup> December 2019

Dear Parent/Carer,

As you are aware The NSPCC *Speak out Stay safe* programme is visiting our school tomorrow, Thursday 5<sup>th</sup> December 2019, to make sure our pupils have the knowledge and understanding they need to stay safe from abuse.

This is a nationwide programme for every primary-school-aged child in the UK and Channel Islands. With the help of their friendly mascot Buddy, they'll be presenting an assembly to the children in our school as well as a workshop for children in Maple Class.

## **What is the *Speak out Stay safe* programme?**

Through child-friendly, interactive assemblies and workshops their specially trained staff and volunteers will give our children information about how to keep themselves safe from harm and how to get help if they have any worries, sensitively discussing issues like bullying and sexual abuse, without using scary words or adult language.

We have studied the content of the materials and heard from other schools who have participated and are extremely confident that they are appropriate for primary-school-aged children. By the end of their visit, we are convinced children will feel empowered – knowing how they can speak out and stay safe.

If you would like any more information about the NSPCC ***Speak out. Stay safe.*** programme, including frequently asked questions, you can find it on the NSPCC website [nspcc.org.uk/schools](http://nspcc.org.uk/schools) or please come into speak to me and I can provide more information.

## **Talking about the Underwear Rule with your children**

The NSPCC's work in schools will help encourage conversations about staying safe – and they have a number of child-friendly materials to help you carry on the conversation afterwards. That includes 'The Underwear Rule', a simple way for parents to help keep children safe from sexual abuse – without using scary words or even mentioning sex.

The guide uses the rules of PANTS to teach children that their body belongs to them and them alone. You can find out more and download the free resources at [nspcc.org.uk/pants](http://nspcc.org.uk/pants). If you'd like to know more about the NSPCC's work, or take a look at the wide range of information and advice which is available for parents and carers, please visit their website [nspcc.org.uk/preventing-abuse/keeping-children-safe/](http://nspcc.org.uk/preventing-abuse/keeping-children-safe/)

Yours sincerely
