We hope to return by **4.30 p.m.** On return to school, the children will go to their classes to collect their belongings, use the toilet etc. Please arrange to collect them from their normal doors in the rear playground. *Take care where you park cars, remember that the buses will need to pull into the bus layby and children will be walking across the school playground so parents are reminded that these areas should not be used as a carpark.* Also, as it will be dark we will not let children walk home unless they are with an adult. Thank you for helping us to keep our children safe.
