People with time for Children

1st April 2019

Dear Parents and Carers,

Holly Berries Class – Food Tasting

In Holly Berries, we have been using our Geography/topic lessons to learn about a small area of the United Kingdom, comparing it to a small area of a non-European country. The children have taken part in looking at villages, rivers, weather and climate, transport, country flags and maps in regard to this topic.

To end the topic, we will be looking at some of the food that is commonly grown in Bangladesh. For this, the children will be able to taste four types of fruit: jackfruit, mango, watermelon and papaya.

The food tasting will take place on Wednesday 3rd April 2019, please complete and return the attached slip tomorrow.

Should you have any concerns or queries please do not hesitate to contact us.

Kind regards,

Miss Comley
Student Teacher – Holly Berries Class
