Skills	
<p>Making sense of beliefs</p> <ul style="list-style-type: none"> Identify and explain the core beliefs and concepts studied using examples from texts/sources of authority in religions. Describe examples of ways in which people use texts/sources of authority to make a sense of core beliefs and concepts. Give meanings for texts/sources of authority studies, comparing these with some of the ways in which believers interpret texts/sources of authority. 	<p>Understanding the impact</p> <ul style="list-style-type: none"> Make clear connections between what people believe and how they live, individually and in communities. Using evidence and examples, show how and why people put their beliefs into action in different ways e.g. in different communities, denominations or cultures.
<p>Making connections</p> <ul style="list-style-type: none"> Make connections between the beliefs and practices studied, evaluating and explaining their importance to different people (e.g. believers and atheists). Reflect on and articulate lessons people might gain from the beliefs/practices studied, including their own responses, recognising that others might think differently. Consider and weigh up how ideas studied relate to their own experiences and 	

experiences of the world today, developing insights of their own and giving good reasons for the views they have and the connections they make.
