Loving one another, building each other up

Friday 11th February 2022

Dear Parents/Carers

As part of the Department for Education's recovery plan, the Secretary of State for Education is providing financial assistance to schools and academies in the form of a grant called School-Led Tutoring. The aim of the grant is to support catch up for lost education due to the Covid 19 pandemic.

Miss Mace's Tuesday tutoring group has been going really well and we would very much like to extend it, however, the diary for next term is full with the residential, SATs week, Young Voices... Therefore, there will be no tutoring in term 5 but we do plan to continue in term 6 and will send out dates closer to the time.

Yours sincerely

Miss May

Head Teacher: Mrs Hayley McGoldrick
