Dear Parents and Carers,

## World Book Day 2021

Since we cannot be together in our normal way this year we are going to do something different. Our World Book Day challenge is to design a potato book character. Use a potato and be as creative as you like to turn it into a book character of your choice. You may use any materials you like. Use whatever you have at home. If you prefer, you can make a poster of your favourite character instead. Further information and design ideas can be found on your class web page.

Your class teachers will be in touch of when you will come together with your class to share your potato creations. Children who are currently in school (excluding maple) will be making their potatoes in class, though your child may have a go at creating one at home too, if they wish.

Each class page will also display the bingo grid of 'book-tastic' activities to complete throughout the week. Please upload any photos of you completing these activities to our school Twitter, or email your class teacher. I look forward to seeing how many you can complete!

Kind regards,

Miss Haynes
