Loving one another, building each other up

25th May 2020

Dear Parents

We are continuing to make plans for the potential re-opening of the school on 1st June for the year groups that have been specified by the government. In order to ensure that we have the correct provision in place we need to know the actual number of children who will be attending on 1st June. Please complete this survey by **12.00 lunchtime on Tuesday 26th May** to indicate whether your child will be attending or not.

We will be unable to accept children into school on 1st June who have not previously indicated that they will be attending.

Thank you as always for your support, if you have any questions please phone the school and I will be happy to talk to you.

Yours sincerely

Hayley Mcgoldrick
