

Hollyberries Class Learning Log

Please complete one activity per week. Homework is due by Thursday in order for it to be marked and sent home on Friday. The children will have the chance to share any of their homework activities on a Friday morning. I hope you have lots of fun working through these, 12 completed activities will earn a prize! Please continue to practice reading and spellings for tests on Thursday. Thank you, Miss Haynes.

Ways to learn	A	B	C	D
OUTDOOR LEARNING I enjoy hands on activities	Go on a nature trail, take or draw pictures to sequence your journey.	With an adult, can you complete this nature scavenger hunt? <ul style="list-style-type: none"> • Something fuzzy, • Something straight, • Something smooth, • Something rough, • Two different types of leaves, • Something that makes a noise, and • Something you think is beautiful 	Can you make an autumn colour collage out of autumn out of fallen leaves and other natural materials?	Imagine you are looking through the window of your rocket. What can you see?
MATHS AND SCIENCE I enjoy working with numbers and science	SNAP! Practice your number bonds to 10. Write the different numbers on cards with a friend. Can you recognise a pair? Do you know them to 20? What about number bonds to another multiple of 10?	Write the numbers 1-10 out in different pieces of paper (go higher if you're confident to 20, 50 and beyond!) Muddle them up. How quickly can you put them in order? What is your fastest time? Did you get quicker?	We are going to be learning about light and dark. Can you make some SPOOKY shadow puppets and tell a story?	We are going to be learning about how the seasons change. Can you observe changes in the seasons? What do you notice by what you see outside, temperature, maybe changes in your clothing? Draw pictures or write about what you notice.
SHARED LEARNING I enjoy working with others	With an adult, make a timeline of your life from the day you were born to being in Holly Berries Class September 2019. Use pictures and/or drawings to show each year of your life and how you have changed as you have grown up.	With an adult, have a go at making some of your own moon rocks! https://kidsactivitiesblog.com/73000/diy-moon-rocks Can you write some instructions to show how you made them? We would love for you to show them in class too ☺	With an adult, have a go at making your own salt dough Christmas decorations! You could decorate them with paint and glitter, and hang them on your tree.	Share some of your favourite books with an adult or a friend. Can you act it out? Can you retell the story just looking at pictures, or for an extra challenge, retell the story without any!
CREATIVE LEARNING I enjoy art and designing	Read a book set in space and answer these questions: What was the book about? What was your favourite part	Can you use different materials (e.g. colouring pencils, paint, tissue paper, coloured paper,	Paint a picture of a tree in the autumn and another in the winter. What is the difference?	Design your own space rocket from junk modelling.

	about the book and why? What did you learn?	newspaper) to collage the nativity scene?		
<p>COMMUNICATION</p> <p>I enjoy reading, writing and speaking</p>	<p>Research some facts about Neil Armstrong. Who was he? What is the most interesting thing you have learned?</p>	<p>With an adult, watch some of the videos on the 'Solar System Videos: Fun facts & more!' National Geographic Kids Playlist on YouTube. What facts have you learned?</p>	<p>Find out how astronauts do basic things such as brushing their teeth and washing their hair.</p>	<p>Dress up as an astronaut for a day and describe what you did on your day.</p>
<p>SPELLING, PUNCTUATION AND GRAMMAR</p> <p>I enjoy writing</p>	<p>Write a short diary about what you did in the October half term.</p>	<p>Write your own version of the Christmas story.</p>	<p>Write 5 questions you would like to ask an astronaut.</p>	<p>Can you write some adjectives to describe fireworks?</p>
