## **FREE Children's Holiday Activities & Food is back this December as part of #HAF2021!**

**FREE** activities will be running from 20th-23rd December 2021!

There will be a Christmas Craft & Activity Holiday Club run by Cinderford Churches taking place at Littledean Primary School. Each day will include a variety of Christmas themed crafts and activities, including some more energetic ones! Each day's session will end with a hot meal. Although the days will be related, you do not need to sign up to attend all four days.

Children can expect to create various Christmas themed crafts to be able to take home, crafts will be varied so that they appeal to different ages and abilities through each session. More energetic activities will not be competitive, rather about having fun together; so children don't need to be concerned about being sporty to join in.

If you want to be able to sign children up for the holiday club at Littledean School, you need to register with the CABS system and book on through the website from December 1. Places are limited to 25 per day.
