Dear Parents/Carers

As part of the Department for Education's recovery plan, the Secretary of State for Education is providing financial assistance to schools and academies in the form of a grant called School-Led Tutoring. The aim of the grant is to support catch up for lost education due to the Covid 19 pandemic.

By using gap analysis data, we have identified a small group of children that we believe would benefit from extra intervention during term 4. We would like to invite your child to attend on Tuesdays 3-4 o'clock with Miss Mace.
