*Loving one another, building each other up*

23<sup>rd</sup> November 2021

Dear Parents

On Thursday 2<sup>nd</sup> December we have organised a Christmas Science Day. During the day the classes will investigate the following questions:

***The reindeer's noses get too cold when they are pulling Santa's sleigh. We need to make them nose warmers. Which materials should we use? (Holly Berries)***

***Santa mustn't wake up sleeping children, but his shoes keep making noisy footsteps. How can you help him by muffling the sound? (Chestnut)***

***Santa is getting old and he's finding it hard to carry presents down chimneys. Would a pulley help him? (Maple)***

***The children in Holly Leaves will be making Christmas 'exploration bottles'.***

In order to carry out these investigations we are in need of a few different resources and would like to ask for your help in providing them. We need the following:

- Empty 2 litre plastic bottles with lids
- Empty 500ml plastic bottles with lids
- Cereal boxes
- Bottle lids

If you are able to provide any of these items please bring into school at any point between now and next Thursday.

Best wishes

Hayley McGoldrick

Head Teacher: Mrs Hayley McGoldrick
