Infants Nativity Performance

Dear Parents/Carers,

We are currently finalising plans for our Nativity, The Christmas Star. Due to the restrictions still being in place due to Covid-19 we will be filming the performance. We will then stream it to invited parents/carers over Zoom. As extra security we will ask families who are watching the performance to put their child's first name as their name so we can match these up before admitting them to view the concert. Everyone watching will be asked not to record or take photos of the performance to help us to keep our children safe.

To assist us with casting our production please could you complete the form below and return it to school by Friday 26th November 2021 at the latest. We will then be in contact with further information including your child/children's part(s) and costume required.

Thank you.

Yours sincerely,

The Reception and Key Stage 1 team.
